Summary

I am Navjot Jangra, a motivated and passionate individual from Chandigarh, India. As a student, researcher, and data analyst, I have spent the last three years coding programs and honing my skills in web development. I am currently pursuing a Bachelor of Science degree in Data Science and Applications at the esteemed Indian Institute of Technology, Madras. With a drive for excellence, I am dedicated to making a meaningful impact in the industry.

Experience

Treasurer

CCET ACM Student Chapter

Sep 2021 - Aug 2022 (1 year)

- Successfully managed and maintained the financial records of the chapter.
- Facilitated the planning and organization of various events and activities.
- Led fundraising efforts for the chapter.
- As a designer and lead editor of the ACM CCET magazine "Digital Outlet," I created visually appealing layouts.
- I also co-organized a two-day workshop where I conducted hands-on sessions, guiding the audience on fundamental data analysis concepts and various commonly used machine learning algorithms in Python.

Webmaster - CCET ACM WEBSITE

CCET ACM Student Chapter

Dec 2021 - May 2022 (6 months)

- Developed and maintained the official website of the CCET ACM Student Chapter.
- Managed the website's content, design, and functionality.
- Improved the user experience of the website through regular updates and enhancements.
- ACM CCET STUDENT CHAPTER won the Outstanding Chapter Website Award for year 2022.

Editor - FINGERPRINT (NEWSLETTER)

Chandigarh College of Engineering & Technology (Degree Wing), Panjab University

Jun 2020 - May 2022 (2 years)

- Managed the editorial content of the Fingerprint newsletter.
- Worked with a team to create and publish high-quality articles, stories, and updates.
- Coordinated with designers to create visually appealing layouts and designs.

Design Head - FINGERPRINT (NEWSLETTER)

Chandigarh College of Engineering & Technology (Degree Wing), Panjab University

Jun 2020 - May 2022 (2 years)

- Co-Led the design team to create engaging and visually appealing layouts for the Fingerprint newsletter.
- Collaborated with the editorial team to ensure that the design complemented the content.

-Maintained consistency across all design materials.
